### **Additional Information**

- Under this program covered prescription drugs and supplies are put into categories (i.e., tiers) to designate how they are to be covered and the Members Cost-Share. The placement of a drug or supply into one of the tiers is determined by the ConnectiCare Pharmacy Services Department and approved by the ConnectiCare Pharmacy & Therapeutics Committee based on the drugs or supplies clinical effectiveness and cost, not on whether it is a Generic Drug Or Supply or Brand Name Drug Or Supply.
- Generic Drugs can reduce your out-of-pocket prescription costs. Generics have the same active ingredients as Brand Name Drugs, but usually cost much less. So, ask your doctor or pharmacist if a Generic alternative is available for your prescription. Also, remember to use a Participating Pharmacy. Most pharmacies in the United States participate in our network. To find one, visit our Web site at www.connecticare.com or call our Member Services Department at 1-800-251-7722.
- Certain prescription drugs and supplies require Pre-Authorization from us before they will be covered under the Prescription Drug Rider. You should visit our Web site at www.connecticare.com or call our Member Services Department at 1-800-251-7722 to find out if a prescription drug or supply requires Pre-Authorization.
- Always remember to carry your ConnectiCare ID Card.
- If you are a Massachusetts resident, please refer to your Amendatory Rider for Massachusetts Mandated Benefits for additional details of your benefits.
