Max Cares Foundation

In 2001, Richard Rosenthal, Founder and President of the Max Restaurant Group, created the Max Classic Golf Tournament, a one day golf outing whose goal is to raise money for charitable organizations in the Greater Hartford community. Over the last 17 years, this annual golf tournament has donated nearly two million dollars to the local community. In 2015, looking to expand the organization's philanthropic efforts, Mr. Rosenthal established the Max Cares Foundation, Inc., which became a tax-exempt 501(c)(3) public charity organization a year later. The Foundation's mission is to serve underserved individuals and families in the Greater Hartford community through the funding of grants to local charities and programs whose focus is on educating, feeding, clothing and empowering people in need. The Foundation started a scholarship program that took effect in the spring of 2017, to award scholarships to high school students interested in pursuing a career in the culinary or hospitality fields. Its primary fundraiser is the Max Classic Golf Tournament. This annual fundraiser has continued to grow and attracts over 200 golfers every year. The Foundation, and all who serve on the Max Classic Committee, pride themselves in perfecting the art of hospitality on and off the course, by delivering the tournament's sponsors the best golf experience possible.
