

## Kitchen Footwear

Proper footwear must be worn at all times. This means: slip-resistant soles with good tread; shoes that are laced and tightly tied; no leather or smooth soles; no open-toed shoes; no platform or high-heeled shoes; no dress shoes and no porous fabrics such as canvas (because they cannot protect against burns or chemicals).

The Max Restaurant Group recommends the following shoe.

Pro-Classic II by Shoes for Crews®, \$24.98

Made of genuine leather and breathable ballistic knit uppers, these affordable athletic shoes are cooler, more comfortable, and longer lasting than ever! High tech slip resistance and an unbeatable price make these shoes the best value available. Available in both men's and women's sizes.

### SFC III™ SLIP-RESISTANT OUTSOLE

- Padded collar
- Ultra light ballistic knit uppers
- Cushioned insoles
- Removable insoles
- Leather and man-made upper
