MAX DOWNTOWN

Welcome to Max Downtown. We are committed to providing a comprehensive, diverse, and complimentary wine service program. It is our goal to balance recognized brands with reputations for consistency and quality, with new and upcoming stars hailing from regions less familiar to most. Ask our educated staff for a recommendation, or ask for me personally.

–Justin T Gavry, Wine Director, Sommelier

Please consider the option of asking for us to release you from the burdens of making choices for you and your guests. We will happily take your menus away, tailor a tasting menu to meet your personal preferences and dietary restrictions using the finest in hyper local and fresh ingredients. If it suits your tastes we can take it a step further and pair each course with fine wines from all over the world (*with the occasional appearance of a craft cocktail or microbrew*). It is these opportunities that all of us here gain the most excitement from, as it is our passion driven artistic expression in the form of something that you can use all of your senses to enjoy.

I drink champagne when I'm happy and when I'm sad. Sometimes I drink it when I'm alone. When I have company I consider it obligatory. I trifle with it if I'm not hungry and drink it when I am. Otherwise I never touch it - unless I'm thirsty.

"As I ate the oysters with their strong taste of the sea and their faint metallic taste that the cold white wine washed away, leaving only the sea taste and the succulent texture, and as I drank their cold liquid from each shell and washed it down with the crisp taste of the wine, I lost the empty feeling and began to be happy and to make plans." – Ernest Hemingway, A Moveable Feast
